Dear Potential Sponsor,

We appreciate the factors that have helped our organizations succeed. Building a solid foundation of success through community partnerships has been a pivotal factor in what has allowed the Booster Club to continue to accomplish our goals and develop successful athletes.

The Neenah High School Baseball Booster Club is a 501(c)(3) non-profit organization dedicated to the training and performance of student athletes at the High School level. This group of athletes works hard year-round!

In order to perform at a high level, fund development and hard work are critical factors. The baseball program's annual budget from the district receives just \$1,500. Over 90% of this allocated amount is dedicated to purchasing game balls. The remainder of our funding is through our booster club, which hosts various fundraising efforts.

Neenah baseball has multiple opportunities this year for sponsorship, but there are 2 main means of fund development for the baseball club. As such, the High School Booster Club is once again hosting the Annual Golf Outing scheduled for August, 9th, 2024 at Westridge Golf Course in Neenah, WI. This is a great opportunity for the families and friends of the Baseball Booster Club, along with the community, to come together to raise funds to support these student athletes.

We look forward to building a long-lasting partnership with you and truly thank you for your generosity.
