

Dear Potential Sponsor:

Of all the good causes you are asked to support, we hope this one captures your heart! Neenah High School Baseball is in search of sponsors for each of their Varsity Home Games for 2019. A portion of these funds donated will help purchase new home jerseys for Freshman through Varsity teams.

Why do we need game sponsors? The cost of baseballs alone throughout the season is a large portion of funding needs. We are looking to make significant improvements to our home fields and uniforms in 2019 and beyond. Unfortunately, the funding lies heavily on our Booster Club. We are hoping that with increased community support, we are able to make great strides this year both on and off the field! We are excited with the vision from our new Varsity Head Coach Jack Taschner, can we count on your support and enthusiasm as well?

The Benefits of Being a Sponsor:

Each Home Game held at NHS will have 2 sponsors (limited to 9 home games - first come, first serve so don't miss out!) for \$350 (tax deductible donation, a receipt can be mailed to you if necessary). Our game sponsors will be recognized on a display board the entire season as the game sponsor as well as special game announcements the night of your sponsored home game. We encourage you or a representative to attend your sponsored Home Game & sit in reserved bench seating and recognized during the game. We will also include your logo as a Game Sponsor on our facebook, website, booklet and other communications and include a direct link to your website on our homepage.
