

Dear Potential Sponsor,

Hello my name is Jack Taschner, and I am the head baseball coach at Neenah HS. I appreciate your consideration in participation in our 1st Annual Golf Outing as a Hole Sponsor. Whether it be as a golfer, or a sponsor, your support is needed. On a yearly basis, the baseball program receives \$1,500 from the district for our budget, \$1,375 goes immediately to the purchase of game balls for the year leaving \$125 a year for all other needs. The remainder of our funding is through our booster club who holds various fundraising efforts.

In 2020, we are looking forward to getting the boys out of the cold and down to Vero Beach, FL for Spring Training. This facility is great for us to get the necessary practice and games in that we historically lose due to Wisconsin's unpredictable weather. It is also a great bonding experience for players and families who would otherwise lose their spring break to HS baseball. Neenah has great kids! The side of our hats has the acronym A.C.E. "Attitude.Character.Effort" - the platform for which this program will be established.

The only way this is instilled in our youth is through community, and the dedication of people like you...

**The Benefits of Being a 1st Annual NHS Baseball Golf Outing Hole Sponsor:**

Our Golf Outing will be held on Thursday, September 5 at Ridgeway Country Club. The sponsorship includes signage with your logo at a hole, recognition at the banquet and the opportunity to briefly speak about your business at our dinner presentation. Your company will also be recognized on our facebook page and website with your logo as official supporters of our 1st Annual Golf Outing.

**For all golf outing sponsors, we need to receive your logo and commitment by August 28.**

On behalf of all the players, coaches and NHS Booster Club,

Thank you for your consideration and support
